

Residents of Hedwig Village,

These are uncertain, unprecedented times. The COVID-19 Pandemic will end soon and things will get back to normal, but as we work our way through it, please know that the Hedwig Village Police Department is doing everything possible to protect our community. We are fully staffed and have increased patrols throughout the city. We have seen no increase in crime, but as more people lose their jobs and with the release of prisoners from the Harris County jail, there is certainly potential. Please ensure you continue to lock your doors, set your alarms (even while you are home) and call us immediately if anything seems suspicious or out of place. Working together, we can keep Hedwig Village safe and secure.

You are receiving this Crime Report because you are on the city of Hedwig Village email list. It is meant to provide you with information on what is taking place in your community. This information should be used to help protect you and your family from becoming a victim of crime.
