This month we had a reminder of the dangers of police work when two of our officers were assaulted by a male in mental distress. The officers responded to a call about the male assaulting his mother in front of the Memorial Antiques store in the 8700 block of the Katy Freeway. The male had just been seen by a psychiatrist and was resisting his mother's attempt to have him take his prescribed medication. The officers observed the assault taking place and attempted to arrest the male. He resisted arrest and struck both officers, causing one officer to receive some bruising to his face and the officer a concussion. The male was arrested and charged with two counts of Aggravated Assault of a Police Officer. Both officers have recovered and are back at work.

In a separate incident on May 31, 2016, night shift officers received an alarm call to the Bank of America. Once the officers arrived, they observed three black males standing out front of the bank with a large saw. Once seeing the officers, the males fled on foot. The officers gave chase and with the assistance of our surrounding agencies, two of the suspects were arrested. One of the suspects went into medical duress and died. Before losing consciousness, he claimed to have asthma and said he was having trouble breathing. The Village Fire Department EMS, who were on the scene, attempted lifesaving methods but to no avail. Cause of death is pending the medical examiner ruling. The other suspect was charged with Evading Arrest and Felony Theft. The males had been attempting to break into the ATM machine with the saw.
